

See how Comcast Business products can help power your business.

Internet

- Downloads up to 1Gbps, uploads up to 35Mbps available.
- Choose from different speed options to meet your needs.
- Static IP addresses are available (static IP supports IPv4 and IPv6*).

WiFi:

- Business WiFi – separate private and guest access.
- WiFi Pro – the next level of WiFi access with more control, more customization, and more security.

Advanced Security:

- IP Gateway – on-site firewall protection installed and managed by Comcast and supports multiple computers and VPN connectors

Voice

- Unlimited local and nationwide long distance calling including calls to Canada, Puerto Rico and other U.S. territories, and popular calling features like Hunt Group, Call Forwarding, Call Waiting, Call Transfer, Caller ID, Business Directory Listing, and more.
- Call Forward Not Reachable feature included to help ensure business voice continuity during power outages or other natural disasters.
- Voice mobility features that link your business phone to your iOS and Android mobile devices, so you're always connected.
- Online access to voicemail, monthly billing statements, call details and bill payment.
- Options with phones included.
- Toll-free services available.

Flexible Trunk-PRI Services:

- Available ranging from 6-channels to a full PRI of 23 channels, scalable in single channel increments.

Business VoiceEdge™:

- Offers a complete managed voice solution and ensures your voice communications system has the latest upgrades and technology.

Business VoiceEdge Select™:

- The affordable all-in-one phone solution to help your small business make a big impression.

TV

- Basic TV package offers broadcast, public access and educational channels to keep customers entertained and employees informed.
- TV upgrade packages available – packages include information, entertainment, family and sports channels such as CNBC, Food Network, Disney XD, GOLF Channel, The Weather Channel and more.

Sports Pack:

- Available with certain levels of service – includes Fox College Sports, NFL Network, NBA TV, NHL Network, MLB Network, ESPN Classic and NFL RedZone (where available).

HD Programming Available:

- Delivering crisp, clear picture and sound for the best viewing experience possible.

Comcast Business

products deliver a wide range of tools designed to provide you with the advanced business technologies to meet your demands, the scalability to grow with your business, and the value to save you money each and every month.

You also get 24x7 Business support and a dedicated local Account Team, included at no additional charge. Plus, the convenience of having all your services from one provider and on an easy-to-manage monthly bill.

Comcast Business Internet, Voice, TV, Connection Pro and Video Monitoring, and Cloud Solutions – reliable business solutions you can count on and savings you can see.

COMCAST
BUSINESS
BEYOND FAST

Comcast Business SmartOffice™ Video Monitoring Solution

- Benefits include crystal clear HD images, automatic cloud storage, instant mobile access, professional installation, and convenient support, with no big capital outlay.
- Delivers a wider camera view so you can see more with fewer cameras.
- Get sharper, clearer night vision footage that provides better detail and accuracy.

Comcast Business Connection Pro

- If your Internet connection is lost, it automatically kicks in with the stronger of two redundant wireless networks, powering business functions until full connectivity can be restored.
- 4G LTE wireless internet backup connects automatically.
- Even in a power outage, stay connected with backup battery power for up to 6 hours.

Comcast Business Cloud Solutions

- An online marketplace of cloud-based applications that are built for business. Our Comcast Business specialists curate and maintain the marketplace, selecting some of the best apps designed to help boost your business's productivity.
- Features include: Online backup, file sharing, security and anti-virus, marketing and CRM, web conferencing, hosted email, and Microsoft Office 365 (Word, Excel, PowerPoint).
